

DESIGN Trial/GAP Implementation

WebEx Sessions Schedule

You are required to make at least monthly contact with Perinatal Institute whilst implementing GAP. You can book onto any of the WebEx sessions listed below to talk to the team, and other GAP leads in the project. To book onto a session please email gap@perinatal.org.uk and we will send you an invitation to join this WebEx.

If you have not used WebEx before, we will require you to have a test call with us, arranged prior to the meeting, to ensure your computer is compatible with a WebEx call; this may mean you need a telephone next to your computer to join the meeting. This is to ensure all IT is working smoothly before the meetings starts. Additional dates will be made available on the Perinatal Institute website dairy page as the project progresses.
