

## 2<sup>nd</sup> National GAP User Symposium

Birmingham – 5 July 2019

We are pleased to announce the second National GAP User Symposium (NGUS), to be held on Friday 5 July 2019.

81% of Trusts & Health Boards across the UK are now enrolled in the Growth Assessment Protocol and are making a difference, with demonstrable improvements in quality of care and year-on-year reduction in ONS stillbirth rates. The purpose of the meeting is to celebrate the front-line achievements and to review new evidence, which will help to address challenges and make further improvement in maternity care.

The programme will feature guest speakers, presentations and discussions on the latest audits, research and guidelines, including:

- Report on reduction in stillbirths that were SGA
- Update on GAP training, implementation and detection rates
- Top Ten units: how do they do it? Results of national survey
- Defining slow and accelerated growth: the evidence
- Introducing the new GROW software with auto plotting
- Measuring and improving the accuracy of ultrasound
- Effect of mixed ethnic parentage on growth and birthweight
- Customised charts for twins: new evidence
- Progress with BIG BABY and DESiGN Trials
- NHS England Care Bundle: proposed new fetal growth algorithm
- Clinical case discussions on referral, investigation and management

**Who should attend?** GAP leads, midwives, obstetricians /MFMs, neonatologists, ultrasonographers and other professionals tasked with delivery of safe maternity services.

**Venue:** Birmingham Conference and Events Centre [www.thebcec.co.uk](http://www.thebcec.co.uk) directly opposite Birmingham New Street Station and next to the Bullring and NCP Car Parks.

**Registration** (includes continental breakfast, lunch and refreshments):

	Doctors	Midwives & Sonographers
Registration Fee	£ 100	£ 70

To register, please complete the online booking form: [www.perinatal.org.uk/diary/NGUS.aspx](http://www.perinatal.org.uk/diary/NGUS.aspx)

The first NGUS meeting (2017) was fully booked and we recommend early registration to avoid disappointment.
